

We will be holding a Roundtable in Sioux Falls on Wednesday, May 5th. It will be located at the Holiday Inn Sioux Falls City Centre at 100 West 8th Street. The agenda and registration form are not yet posted on the NCUA website. However, here is the link to where this information will be located, hopefully in the near future: <http://www.ncua.gov/Resources/CreditUnionDevelopment/Events.aspx>. The Roundtable is free, and lunch is provided. Planned topics include:

- Issues Facing Your Credit Union (from Region IV's perspective)
- Maximizing Your Bottom Line
- Regulatory Hot Topics
- Breakout Sessions: Allowance for Loan and Lease Losses and Alternatives to Predatory Lending

Please share this information with your small credit unions. We are targeting credit unions under \$50 million in assets. Individuals interested in attending should complete and submit, via email or fax, a registration form (when available). Association staff is welcome to attend as well—just complete a form for each person to make sure we have enough materials and food available.
